TARIFF RELIEF FOR CANADIAN CUSTOMERS!

Reduced Tariff Charge
Just 30% of order value

Canadian Customers:

3M Promotional Markets is absorbing a portion of the applicable tariff cost, reducing the tariff charge passed on to you to just 30% of the eligible product order value.

Details:

To help reduce the impact of the current 50% tariff on Canadian orders, 3M Promotional Markets is absorbing a portion of the tariff cost on designated paper products. Rather than passing along the full 50% tariff, customers will be charged a 30% tariff surcharge, with 3M Promotional Markets absorbing the remaining 20%. The reduced tariff surcharge will be applied based on the tariff rate in effect at the time of shipment.
